**GET A WITHDRAWAL CARD WHEN YOU LEAVE YOUR JOB**

Be sure you request a Withdrawal Card when you are laid off, taking a leave of absence, disability or terminating your employment.

**The fee for a Withdrawal Card is only \$.50 cents, but all initiation fees and back dues must be paid before a Withdrawal Card can be issued.**

It is your responsibility to obtain a Withdrawal Card, so please request a form as soon as possible after leaving your place of employment, so that you will not be obligated to pay extra dues.

Failure to request a Withdrawal Card may cause you to pay back dues when you return to work or transfer to another Local.

If you are on Workers Compensation because of an on-the-job injury and the company is required by contract to pay your benefits, you must keep up your monthly dues as long as the company is keeping up your benefits.

**WHEN YOU RETURN TO WORK
